

## Take the Chance – Find your Coach

„Coaching is unlocking a person’s potential to maximise their own performance. It is helping them to learn rather than teaching them.” John Whitmore, in Coaching for Performance

### OCTOBER 28, 2022 - ZOOM INFORMATION EVENT

The following research associations are going to offer individual coaching for female junior researchers (doctoral researchers and postdocs) in 2022:

**Cluster of Excellence Precision Medicine in Chronic Inflammation (PMI)**

**RU 5042 miTarget, The Microbiome as a Therapeutic Target in Chronic Inflammatory Inflammation**

**RTG 2501 Translational Evolutionary Research**

**CRC 1461 Neurotronics - Bio-inspired information pathways**

**CRC 1526 Pathomechanisms of Antibody-mediated Autoimmunity – Insights from Pemphigoid Diseases**

This webinar offers the possibility to get an impression of different coaches, their personality as well as their expertise and is meant to support the young female scientists with regard to their scientific work and career.
